

# A New Alliance Has Been Created!

Effective immediately LaserSharp FlexPak Services is proud to announce that FlexoNetwork has joined the LasX and FlexPak teams to represent our recognized laser Equipment brand LaserSharp®. The collaborative bridge between FlexoNetwork and LaserSharp FlexPak Services will provide knowledge, expertise and opportunity for those interested in the LaserSharp® Equipment and Laser Toll Converting for the flexible packaging industry in the Western region of the United States.

The moving force behind **FlexoNetwork** is Derek Hewson. Native to California and deeply rooted in the printing and converting industry, Derek's professionalism and dedication to the advancement of the flexographic industry is invaluable. Derek is one of the best Independent Manufacturers Representatives that you will find because of his commitment, passion, and genuine character. His knowledge and expertise is highly respected amongst industry professionals. Derek will be representing LaserSharp FlexPak Services by offering Laser processing solutions for the increasing demand for laser perforating and scoring equipment and toll converting in the Western region of the United States.
